Waterfront dining with sparkling new look

EATING out at the refurbished Yaringa Marina Restaurant has an exciting new buzz about it. Regular patrons have welcomed new sophisticated dining settings, comfy chairs and much quieter, carpeted surroundings throughout.

Now you can enjoy a cocktail or pre-dinner drink in the delightful new lounge bar leading to the deck or relax over a Yaringa liqueur coffee in the lounge after your meal.

The restaurant is as popular as ever with lovers of delicious food and fine, very affordable wines. A revitalised kitchen prepares the same favourite meals as in the past with popular additions such as fresh fish of the day and chef's recommendations.

Yves (pronounced Eve) is Yaringa Restaurant's new maître d' and will welcome you on arrival. His French accent, 20 years' restaurant experience in Switzerland and more recently his popularity at Benitos in Mt Eliza and at the Melbourne Oyster Bar has added a friendly new sparkle to the 'front of house' service at the restaurant.

Yaringa Marina Restaurant is open Wednesday to Sunday for lunch and Wednesday to Saturday for dinner but will open seven days a week during summer. Bookings are advisable, phone Yves on 5977 3735.
